

Warsaw Community High School
Parent Permission for Band Travel / Field Trip Permission

Warsaw Community High School Band students take field trips periodically throughout the year. In the past we have required the student to obtain a written parent permission slip to travel to and from each field trip destination. Not only can this be very cumbersome when trying to plan a class trip for 100+ students, it may be an issue when planning an outing for a smaller group. Unfortunately students who forget their slips often miss the opportunity to attend. We are making an effort to make field trip permission and travel easier by asking each student to have their parent sign a parent permission slip allowing the student to travel via bus to various field trips. An effort will be made to communicate with parents about impending student travel, but the student is ultimately responsible for letting their parents know when they are taking a field trip.

Trips may include, but are not limited to, Veterans Day Performances, Elementary Band Tours, Instrumental Clinics, Marching competitions, etc.
